I'm a graphic designer based in Los Angeles, with a focus in branding and packaging. I strive to create clean, sophisticated, and functional design, spending much of my time educating myself about the latest trends in graphic design in order to stay up-to-date and able to communicate with clients effectively. I'm very passionate about music and think Paul McCartney is the best musician of all time.

Experience

Layout Editor

Dimensions, California State University, Fullerton

January 2014 - April 2016

- Designed the College of Natural Sciences & Mathematics's annual scientific journals.
- Layed out hundreds of pages of scholarly text while maintaining a strong element of creativity.
- Worked with editors and the oversight of professors to make sure the design of the journal and its integrity were never jeopardized.

Graphic Designer

Alisa Michelle Jewelry Boutique

March 2012 - March 2015

- Oversaw and designed all graphic needs pertaining to maintaining a small business.
- Developed monthly catalogs and line-sheets featuring new products and deals.
- Created various custom packages to house dozens of unique products.

Senior Graphic Designer

Tusk Magazine, California State University, Fullerton

January 2014 - May 2014

- Directed a staff of five graphic designers to produce the university's annual student publication.
- Strategized with editors and photographers from various departments across campus to foster a unique direction for the magazine's design.
- Worked closely with large scale printing businesses to produce over 2500 magazine copies to distribute to the entire school.
